

# *Sending you* HOLIDAY GREETINGS

---

*from the Friends of the CCPL*

As 2025 comes to a close and we look ahead to a new year, we want to extend our sincere thanks for your continued support of the Friends of the CCPL!

This year, your generosity helped make so many meaningful moments possible at our library. The Friends proudly supported the Summer Library Program, Spookwalk, and the festive Gingerbread House Party and Noon Year's Eve celebration. We also had a very successful stuffed animal fundraiser in the spring—thank you for making it such a fun and impactful event!

In addition, we were honored to once again award scholarships to two outstanding local students. Congratulations to Koryn Osier and Addison Tracey!

*Gingerbread House Party*

These are just a few of the ways your support makes a difference. If you have ideas for future programs, we'd love to hear them; feel free to share your suggestions with your annual donation. Your input helps guide what we do next.

---

*Thank you for being a Friend!*

## ***A message from Library Director, Annette Dean:***

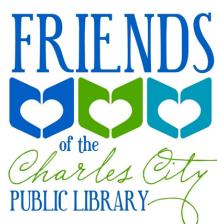

It's always a great time to get involved at the Library:

1. Volunteer: Help with shelving, events, or special projects.
2. Join Friends of the Library: Support through fundraising and advocacy. Friends of the Library is always looking for library lovers to join the friends' board. The board meets 4 times a year and supports library programming and reading programs in the community.
3. Attend Events: The library uses attendance to determine the success of a program or community interest in a particular topic. Attendance numbers are also used to justify funding of special programs, so it's important that individuals attend programs that interest them.
4. Donate: The library has two non-profit 501(c)(3) organizations that help supplement the city and county taxes that fund it. The Friends of the Library provide support to programming and special projects that benefit the community and library (such as the Storywalk). The library foundation supports the library collection by providing funds to purchase almost half of the book collection.
5. Advocate: Promote library services in the community. I've lost track of how many times I have heard the phrase "The library has that!?" Is there a service or program that you love? Tell a friend, you will be surprised at how fast information spreads by word of mouth and many people will be surprised by what there is to do at the library.

Come to the library for more information on how to get involved!
